

Remarks

Please enter the foregoing amendments prior to examination.

1. Applicants previously surrendered U.S. Patent No. 6,063,161.
2. This continuation of applicants' co-pending Reissue Application No. 10/150,784 is directed to correcting the same error in applicants' now-surrendered U.S. Patent No. 6,063,161.
3. Applicants co-pending Reissue Application No. 10/150,784 will issue due course as RE38,493. Applicants therefore request that the Examiner issue a Certificate of Correction pursuant to 37 C.F.R. 1.322 to include the appropriate cross-reference to the present continuation application in RE38,493.

Respectfully submitted,
